

**Judges Hill Neighborhood Association Dues  
and  
Residential Parking Renewals**

*(please remit by 12/20/2011)*

December 4, 2011

Dear Neighbors,

Our association charter calls for the annual collection of \$50 in dues in order to maintain membership and voting rights. Of course you are free to contribute more, especially if there are certain causes you strongly support, so the format has been structured to allow for that option.

***Residential Permit Parking (RPP) passes from 2011 are about to expire.*** Distributing of 2012 permits will begin on over the Holiday break and early 2012 through the efforts of Phil Wiley together with the City of Austin. To continue in the program, please mail this renewal form by ***December 20, 2011*** for distribution of new permits prior to the expiration date. Please note that the City of Austin Residential Permit Parking fee is now \$20.

## PERMIT PURCHASE VERIFICATION STATEMENT

By signing this form you are acknowledging the following:

- Permits shall be valid for a calendar year (i.e. January – December) and shall be renewable annually. Permits will be renewed before the first day of January. Verification of current residency and of vehicle ownership shall be required for renewals.
- Each permit shall be valid only for the particular vehicle, calendar year, and permit area for which it is issued. The registration number on the permit must match the license plate of the vehicle on which it is placed. Visitor tags are to display the resident address to which they are issued.
- The fee for the purchase of a residential parking permit package will be \$20. This fee is for initial purchase or annual renewals. The permit package includes two residential parking permits and two visitor tags. Subsequent residential (i.e. sticker) permits will be issued in lieu of visitor tags. There is a maximum allowable total of four permits per household, two of which must be residential (sticker type) permits. A re-issuance fee of \$10 will be charged for lost or stolen permits.
- The residential parking permit shall be affixed on the lower left corner of the front windshield (above the vehicle registration sticker). The visitor permit tag is to be presented so that the writing is visible through the front windshield. The tag may be hung from the rearview mirror or placed on top of the dashboard with the written face clearly visible through the front windshield.
- Replacement permits for vehicles traded, new vehicles etc. will be issued, free of charge, provided the original permit is returned when the request for re-issuance is made.
- Failure to abide by the rules and guidelines may result in the reduction or revocation of permit privileges.

By signing below, I hereby confirm that I have read and understand the above statements. I agree to abide by the rules and guidelines of the City of Austin Residential Permit Parking Program.
